

Alice Gaston

September 12, 1943 - March 20, 2023

Thank you all for joining us in the life celebration and homecoming of our dearly departed Alice Gaston she was a mother, a sister, an aunt, a friend, and most of all she was a servant of God.

Born Sunday, September 12, 1943, in Fond Des Blanc Commune of Aquin, Haiti Alice was the 6th child and the 4th daughter of Dumondville Amilia Lumene Policart. During her time in Port-au-Prince, she met Carlos Rosario and had her one and only son Patrick. In 1964, she traveled to Nassau, Bahamas in search of a better life. Six months later she was able to bring her sister Alina abroad after 2 weeks. Alice and her sister both continued their journey to Miami, Florida where Alice started working in Orange Blossom, Florida in the late 60s and then got her sister a job in the next 3 days.

Alice was so full of life and also big-hearted. In the late 70s, she joined the Lively Stone Church of Miami, FL where she converted to Christianity and dedicated her life to God. She joined the Dade County Public School Transportation NE department in the 90s and worked there until her passing on a rainy Sunday, March 20, 2023, at Mount Sinai Hospital.
