

Chimene Nelson

April 26, 1945 - December 25, 2023

I can't say and will not say she is dead; she is just away. With a warm smile and a wave of her hands, she has wandered into an unknown land and left us dreaming how far it needs to be since she lingers there. The wildest yearn from the old-time steps and gladly thinks of her faring on, as a deer loves the forest, and the forest loves the deer. Thinking of her still in the same way, we say she is not dead; she is just away.

Chimene Nelson, 78, of Dania Beach, Florida, died peacefully on December 25, 2023.

She was born in Cap Haitian on the beautiful island of Haiti on April 26, 1945, to her father, Chervil Germain, and Mother, Crystal Celestine.

As the matriarch of the Nelson family, Chimene was well known for her stern and charismatic presence within the family. A devoted wife and mother, she could keep the family going in the right direction. To help them maintain their personal goals.

In her personal life, Chimene enjoyed music, crossword puzzles, cooking, and exploring the city.

She leaves behind her two children: daughter: Vickey Webster; son Shenet Nelson; sister: Micheline Chery- Germain; brother Ronet Germain; sons in-law: Robert Webster and David Horton; dear friend: Brittany Thomas, and a

host of nieces, nephews, cousins, and friends.

She will be dearly missed!
