

Dexter-Lee Teddy Calixte

June 17, 1988 - March 12, 2023

Dexter-Lee Teddy Calixte was born on June 17, 1998, in Miami and passed away on Sunday, March 12, 2023, at the age of 24. Cherished son to Marie Alexandre and Change-Lee Calixte. Dear brother of Rodnysha Alexandre, Frantz Collin, Sebastian Manoel, and was the oldest child on his father's side. He was a dear nephew of Alexandra, Nerlande, and Nadege Alexandre. Dexter is also lovingly survived by his beloved cousins, many friends, and colleagues.

Growing up and throughout his adult life, Dexter enjoyed karate, skateboarding, filming, taking photos, making beats, traveling, eating, partying, and being around friends. He was always very outgoing and curious about the world. Dexter enjoyed making people laugh and come out of their shells. He was a great listener and gave amazing advice.

In 2019, Dexter began pursuing his passion for aviation at Miami Dade College. While attending college, he began working as a TSA officer at first Miami, and then Fort Lauderdale International Airport. Just before his passing, he was actively working as a secretary for the University of Miami.

Dexter was a part of the Miami Springs High School Band and played the trumpet exceptionally. In adulthood, his love for music flourished as he began creating and mixing his own beats. He had a way of expressing his emotions

through his music that touched the souls of those who heard it.

Dexter was a loyal friend with a kind heart. He had an infectious smile and calm energy, which made his hugs feel comforting and warm. However, Dexter's sense of respect engraved by his mom and sister was most admirable.

Dexter lived his life to the fullest. He was an amazing person who touched the lives of so many. He will be missed, but he will never be forgotten. May your precious soul live on and watch over us, Dexter. May your memory rest in our hearts, your voice be heard in our prayers and your touch be felt in our dreams.
