“ You don't me, but I just had my young son's viewing yesterday and as I was looking at his information , I saw yours. To the grieving mom, know that my broken heart is with you. You will find the courage to get through this and just cry and feel all you need too. This pain is unbearable I know. But know that we were chosen because we can bare it. Choose to get up, choose to breathe and choose life to honor your baby. My condolences to the rest of the family. God has two perfect angels watching over us. Hugs and God bless.
