

Elina Issalon Delisme

October 4, 1955 - January 19, 2024

Elina Issalon Delisme died on Friday, January 19, 2024, at the age of 69. After several years of declining health, Elina was rushed and had a sudden death at the hospital.

Elina was born in Haiti on October 4, 1955, to father Odilon Issalon and mother Asselia Francois. She was married to Fernand Delisme who unfortunately passed away in 2020.

Elina left behind six children: Luckner, Brunel, Sonnel, Samuel, Natacha, and Nancy, grandchildren, and a host of family and friends.

Elina was a very hard-working woman who used to wake up six days a week at 5 am and walk a 30-minute distance to open her shop to provide for her children and other people she used to call her children. She was a lovable person, with a heart that cared for everyone whether they were family, friends, or acquaintances. She was always available to help a person in need. Everyone used to call her Tina because of what she represented to them. Elina has been fighting for her life since 2003.

Elina was greatly loved and will be dearly missed.
