“ I miss my sister every day, i cannot stop thinking about her. The good time we used to have, her laughter, her ways. God i will never ask why she is gone so soon, but my heart is aching so much sometimes i fell like to scream on top of my lungs. Now i am encountered so much dilemma in my life, I know if she was there, she would have said " girl it's one life to live enjoy it while you can".
