“ Uncle George, I don't regret one bit the time we spent during your sickness. I just want to let you know that I will remember you as a hero. Even during your worse moments fighting a stroke, you were the strongest and always pleasant. I love you tonton, when you came to your sister's burial, you had said that :” my sister is gone, I am going to go also.” You are gone now and I know that you are with your sister now caring for each other like you guys always do.. I miss you all so much, you guys will always remain a part of me. Tell my mom and Marcus that I am hurting and I don't know how to stop that. I promise you guys that I am going to hang in there until we meet again. Keep eyes on my mom and Marcus for me. I love you tonton George, go in peace.
