“ Gerri was a very sweet and hard working woman. I enjoyed listening to stories that she told about her family. It was clear that everything she did was for them. I am so sad to hear of her passing and I will continue to pray for her family.

“ *Sultana Joseph*
Gerry and I worked in the same company for many years. She always greeted me with warmth and kindness as if she had not seen me for the longest time. I will miss her infectious smile and her tender voice but mainly, our little special chats every time we crossed paths. Gerry was a peach of a human being; I am so honored and grateful to have known her. My deepest condolences to Gerry's "Joujou" family!

Words, no matter how kind, will not wipe away your tears and hugs may not ease the pain, but hold on to your memories because forever they will remain.

“ My condolences on Gerri's passing. She was one of my "work moms" and always lended me her ear for whatever was on my mind. Her smile and upbeat personality was infectious and always welcome. I will miss our chats and seeing her smile. She was truly a gem!
