April 16, 1939 - July 26, 2023

Guerline Gerard also known as Adeline by family and friends passed at the age of 84 on July 26, 2023.

Guerline Gerard was born on April 16, 1939, in the country of Haiti. During her time on earth she conceived five children: Jean Robert Pascal, Fritz Pascal, Chantal Pascal, Claudie Pascal, and Adeline Pascal. She also was blessed to see her grandchildren have children of their own. She was a strong, loving, exceptional mother, grandmother and great-grandmother. She raised her children with love and provided for them like no other.

She was outstanding and persistent in everything she did. She brought love, care, and kindness to everyone around her. Just to know her was a blessing to all.

She loved cooking, cleaning, listening to music and going to church. Her presence will truly be missed by everyone who was blessed to be a part of her life. Heaven gained a strong loving warrior and her family gained a lifetime of shared memories.

Hands left undone must stay that way,
The most beautiful peace is the end of day
When I'm in with remembrance
A friendship shared, a laugh, a kiss,
Oh yes, these things, I too will miss,
We not burdened with stress of worry
Look for the sunshine of tomorrow.

My life has been full, I savored much,
Good friends, good times, a love that's true
Perhaps my time seems all too brief,
Don't forget that your own path will lead you
Lift up your face and smile to me,
God wanted me now He sees me free.
