“ *My deepest condolences to family and friends. I had the pleasure of seeing him at several service events and meetings in our area, and he was always so kind to everyone he spoke to. He will be deeply missed*

“ *JC was so kind and empathetic. The very first time I met him, he overheard me speaking of my struggles. I was in a scary dark space inside. He spent almost three hours with a complete stranger just to make sure I would make it another day. He showed up for me when my mother passed. He will be missed. I will always remember his kindness.*

“ *The abrupt loss of a loved one, son, brother or father brings a pain that so unimaginable only love and trust in God can heal. I repeat in the words of*

Jean Claude Nicolas Jr.;

"Angles are always near to those who are grieving. To whisper to them that

their loved ones are safe in the the hands of God"

Jean Claude Nicolas Jr.

Thru Love, God concurred the grave a long time ago and with that love Jean Claude will live on forever in your hearts and thru your actions. Our love and condolences to the Family of Jean Claude Nicolas Jr.

“ *JC always saw the best in people. I am grateful for the time I got to know him.*

“ For I am convinced that nether death nor life, nether angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation will be able to separate us from the love of God that is in Christ Jesus our Lord.”

“ Words are soo difficult for me right now. I wake up saying it's a bad dream. To the family, I am sending a circle of hugs, surrounding you with my love and comfort. Thank you for sharing Jean'Claude with me. His spirit lives on. I know he is ok and wants us to celebrate his life, and not mourn his death. It is not totally possible because no longer hearing his voice, feeling his hugs, and seeing his face, makes it difficult. To my friend Soar my friend, we will see you again one day.

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?' Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.”

*Marianne Williamson,
A Return to Love: Reflections on the Principles of A Course in
Miracles*

JC gave EVERYONE permission to shine their brightest - and oh God did he shine... he was an example of light manifest in human form. I'm so grateful I got the chance to know him.
