“ Daddy I owe you my life and more, . You loved me even before I learned to love myself. You gave me hope even before I could believe in myself. You prayed for me even before I knew what I wanted for myself. That’s how much you loved and cared for me. I will love you forever. 💔😞

Daddy it's been hard for me since you been gone, I don't even know where or how to begin things are not the same and they never will, I just got the car the day I was supposed to visit you only to get a call that something was 😞 wrong. I will always love you amd keep you close to me as long as I live. Dad just so you know your first grandson Nate Jr is going to be a Preacher I'm so proud of him because he wanted to follow after you, didn't realize dad how much impact you had on my son life even tho they loved so far away 😞😞😞 oh dad don't know what to do I'm so sad like really sad nothing brings me ☐ joy anymore and the pain gets worse when your Queen and Princess go to asking about you. I know you gone and this writing is in vain but dad I'm sorry for all the times I disappointed you as a child thanks for always loving me unconditionally Love you always and forever. Your beloved daughter Chayil Yosef.
