“ I was deeply saddened to hear about Jean's sudden passing. He was one of the kindest and most genuine people I've ever met. My heartfelt condolences go out to his family.

I'm his UIUX Designer and working on his platform 'Sakpase' and he is really much excited for its launch.

If any teammates would like to reach out, please don't hesitate to contact me at ahmed30uiux@gmail.com

I worked with Jean for short time. He was so kind and respectful and I will miss working with him.

He is now in better place praying for us. Please remember us before the Lord that he may forgive us our sins.
