

Joanne Pierre-Louis

February 4, 1957 - October 4, 2024

OUR BELOVED MOTHER & GRANDMOTHER

Joanne Pierre-Louis, the daughter of the late Emerald Romer and Johnny Robinson, was born on February 4, 1957, in Miami, FL. She passed away peacefully at home on October 4, 2024, at the age of 67. After a courageous battle with multiple ailments, she found rest in her final days, surrounded by loved ones.

Joanne dedicated over 30 years of her life to serving others as a nurse at Jackson Memorial Ryder Trauma Center, where her dedication, compassion, and unwavering commitment to providing exceptional care left a lasting impact on her colleagues and the countless patients whose lives she touched. Her work earned her the admiration and respect of many, and she was a true pillar of her community.

Some of Joanne's fondest memories included childhood trips to the Bahamas, where she would swim with her family and gather conch shells, creating cherished moments that stayed with her throughout her life. She also found joy in spending time with family and friends, dancing and preparing holiday meals that brought everyone together. Her proudest role, however, was becoming a grandmother and creating precious memories with her four grandchildren, who were the light of her life.

She is survived by her two daughters, Veraniq and Joan, and four of her beloved grandchildren, along with a host of family and friends. Joanne leaves behind a legacy of love, resilience, and service, and she will be deeply missed by all who knew her. Her memory will forever be carried in the hearts of her children, grandchildren, siblings, and all whose lives she touched.
