“ *I just want to wish my sincere condolences to the entire Bien-Aimé family. The Haitian Advanced Educational Community has lost a great contributor and I just want to let you know that you will be terribly missed. From your assistance at the Financial Aid Office at Miami Dade Wolfson Campus days, (in the late 70's for me), to the Haitian Soccer League Federation matches of MorningSide Park vs Port-de-Paix,(early 80's). Oh Lord I can vividly remember that particular game, and then Gonaives with Au Cap. We will never forget to those great Saturday nights at your place where we were all welcome to play besigue with our boys form back home, and then you would concoct a big pot of bouillon for us all. Those long nights would later turn into poker nights where some of us would lose a lot of our hard working (dough) weekly paychecks (it's ashamed that some of those paychecks were rent money too). Brother Leaman Rest In Peace. Nou pap jam bliyé wou Leaman.*

“ He was always kind and always positive. He was my advisor when I started at MDC and when I started working at the college he became a dear colleague. He always had a smile on his face.

I still remember that 25 yrs ago, he brought me the best mango Ice cream from his shop when I was pregnant with my son.

My prayers are with the family !

Leaman was a very good friend and co worker. I met him when I was 18 and had just started Miami Dade. He was off the wall but we along well. He and I formed a friendship that was everlasting and real. He was a special one. He loved his family immensely. His heart belong to his baby girl Cristina. He always smiled when he spoke of her. She was the apple of his eye. He will be sorely missed. But I will never forget his humor and his outlook on life. Rest I'm peace Lemo!!!
