Lisa was born in Manhattan, New York to loving parents, Olive Geissie Marcel and Lesly F. Andre, on

December 30, 1974. Lisa was diagnosed with Sickle Cell Trait at nine months old by the specialists at

Kings County Hospital, Brooklyn, NY.

Lisa attended Sacred Heart Catholic School in Jersey City, NJ and graduated from St. Catherine of

Genoa in Brooklyn, NY. We then moved to Florida where she attended North Miami Beach Senior, H.S.

She was a majorette and graduated from Miramar H.S., Miramar, Florida. She attended Broward

Community College and obtained an Associate Degree in Nursing Education, also pursued paralegal

courses and became a licensed paralegal. She also attended Sheridan Technical School and acquired her license as Director of Early Education.

Lisa began her career as a Legal Assistant at the Law Office of Paul K. Schrier. Throughout the years,

she worked at Broward Health, Advanced Chiropractic Medical Center and Miramar United Methodist

Preschool. Due to her medical history, she was unable to fulfill her career goals.

Lisa was loved and was an awesome soul. She was a caring, compassionate, devoted, encouraging,

loving and understanding individual. Lisa admired and loved her mother and father dearly. Her son, Brian

L. Sanon was her heartbeat and she loved him unconditionally. She was the oldest of five siblings,

Richard G. Boutin, Harry P. Thezan, Darah G. Cotton and Kimberly Andre.

She was so proud of them and

of their accomplishments. She loved and cared for her family. Lisa was a strong believer of God, her faith

in the Lord was extraordinary and her strength unbelievable. Regardless of her pain and suffering

throughout the years of her life, she always had a beautiful smile on her face and had encouraging words

for anyone who needed her help. Lisa had touched so many lives and was loved by everyone.
