

Louis Henry Bernardin

March 13, 1943 - December 12, 2022

Henry Bernardin was a beautiful person inside and out, This in brief is his story.

Louis Henry Bernardin was born in Cap Haitian, Haiti to Philomena Hilaire and Morel Bernardin in 1943. He was the oldest of 5 children. He completed his primary and professional education in Cap Haitian with a degree in mechanics. He also received a degree in accounting and shortly after began his first job as a professor of Mathematics at St. Yves College in Port Au Prince. After his time at St. Yves College he held many director positions at Shada Montrouis, Bon Repos, and the Department of Idai. In 1986, he left Haiti and moved to Miami, Florida, where he met his wife, Magda. Together they built a beautiful life together, with their two children, Kirby and Darshan in North Miami Beach.

Henry was full of life, he was an active gym goer, lover of soccer and karate. He was known to his loved ones for being a caring friend, brother, father and husband. He is remembered as one of the most joyful people you'll ever meet. He opened his heart and mind to all. Henry was never without a smile. His jovial and funny nature will be sorely missed.

Henry is survived by 5 children (Fadia, Max Henry, Rachel, Kirby and Darshan); 4 sisters (Astride, Rose-Laure, Marie-Jose and Yanique) 4 nieces

and nephews (Jean-Claude, Natalie, Michael and Dahlia), and 1 great niece (Alaina Rose), The Magny family, Thomas family, Modestin family, Michel and Hilaire family.

The family of Henry Bernardin would like to thank you and acknowledge with great appreciation during his time of passing. It is during this time of sorrow we learn how much our friends and family mean to us. Your kindness and sympathy will always be remembered.
