

## Marie Vita Altidor Parfait

December 6, 1952 - March 25, 2024

On March 25, 2024, God called Marie Vita Altidor Parfait Home at Jackson Memorial hospital after being sick for nearly seven years.

She was born on December 6th, 1952, to her parents Guerilia Pierre Aldama (deceased) and Montreuil Altidor (deceased) in La Douceur, Saint-Louis du Nord, Haiti. After seven months old her mother moved to La Tortue with her where she was raised with her grandparents.

Marie didn't have a formal education but decided that her children would have the best education they could have. Early on, she set the bar very high as it concerns the level of education that she wanted her children to reach. Marie was the decision maker for her family. While living in La Tortue she never worried about crossing the sea to go to Port-de-Paix or Cap Haitian to buy merchandise at wholesale and resell them to support her children.

Marie was a courageous woman she loved to work as a farmer. On August 5th, 1975, she married Gesner Parfait (deceased), and to this relationship they have six children: boys: Gesnel Parfait, Guy-Robert Parfait, Willy-Max Parfait, Marc Kenson Parfait, Jean-Montreuil Parfait, Ralph Max Indrick Parfait; daughters in-law: Ema Parfait, and Jeanestha Jean; grandchildren: Trevon Gesner Parfait, Jacob Nathan Parfait, and Karl-Heinz parfait.

Marie was born among fifteen children from her father which include: Mrs. Saintira Saint-Gerard, Mrs. Charles Noel, Mr. Nick Decius, Mrs. Annette Decius, Mr. Luc Decius, and Mr. Josue Aphy. From her mother, she had five siblings which include: Mr. Jean-Robert Theodore. She also leaves her memory with her uncles and aunties: Mrs. Elianne Pierre, Mr. Guerier Pierre, and Pastor Gerard Aldama, other relatives: Parfait, Saint-Louis, Joseph, Beauchamp, Altidor, Pierre, Aldama, Sylvestre, Aphy, Decius, Saint-Gerard, and a host of other brothers and sisters in-law, nephews, nieces, cousins, and friends.

Marie was a loving mother, grandmother, sister, and friend.

She will be deeply missed.
