“ Marlon, I still can't believe that you've gone and left me!! It broke my heart when I heard. I immediately went to my messenger thinking it's not true and I was sure there would be a message from you to prove them wrong. I cried so much for you, I will miss you quarreling with me, I will miss you scolding me for not calling you, I will miss you teasing me, I WILL MISS YOU. God knows why he took you so soon, but I don't know and I hope someday I will.

To June and the rest of those who mourn the loss of Marlon, my condolences go out to you all. My heart breaks for you because I know the vacancy that Marlon leaves will surely be felt for a long long time.

June I wish I could be there to be a support for you, but please know I'm thinking of you and I'm there in spirit 🥹🥹🥹🥹. Please know that if the airport was open I would have been there in a nanosecond.

Will speak to you shortly. Love you my friend, know that my arms are around you comforting you.

*At a time like this, we question, why him? why now? why so young?*

*God looked down on His earthly angels. Reached out His hands, and selected only the very best. Satisfied that their earthly task well done, was completed.*

*Marlon was one of those blessed angels!*

*Though it breaks our hearts to let him go, we must be steadfast and hold on to our faith we'll meet once more. Yes, on that great judgement day, when the dead in Christ shall rise, in the sweet by and by, we will see Marlon again!*

*Til then, let's cherish the fond memories we shared with Marlon here on earth. Relish those days when he brought a smile to our face and laughter to our lives.*

*Sleep in sweet peace, dear cousin!  
Gone too soon, but not to be forgotten!  
We love you always!*

*To Aunt June and the rest of the family, we have you all in prayers that you may find comfort, during this most difficult time.*
