“ *Please accept my deepest condolences on the death of Max. He and I had been friends for a number of years. We had lost touch but reconnected in 2019 with the promise to keep in touch ... I have been calling his cell and searching online for any information about him and to my dismay found this. I know he loved his family above all else, and was especially proud of his children. He was also proud of himself (and well deserved) getting into his trucking career and being able to provide for those he loved. I miss him and wish I had been able to say goodbye. Please find comfort in knowing that he was a kind and loving soul who will be deeply missed ❤️.*
