“ Mike was the real Union man. A father and mentor to everyone, with many stories to entertain and educate you at the same time. Always smiling and cheerful.

“Wow, what a guy, truly one-of-a-kind! Michael was my second father (and Candy my second mom) and I am blessed to have grown up with them. What a character, OMG, and so many stories, memories, conversations, sayings, lessons, on and on. Where to begin and end without being long winded? How about Michael showing off and making his pecs and biceps jump around whilst flexing them? How about him yelling at Colleen and refusing to pick us up from a late night Rocky Horror Picture Show at 2AM...and then dutifully showing up sleepy-eyed to do so anyway? How about referring to Mark and I as "hooples" or worse yet "a**holes" (not that there's anything wrong with that)? How about dropping everything and, with a moment's notice, driving to Eagle Army-Navy to buy chlorine so that we could swim in the pool? How about the stories of working with Jackie Gleason, The Beatles and Ed Sullivan? How about the conversations regarding bodybuilders such as Reg Park, Steve Reeves and Larry Scott? How about getting me Union work as a kid, loading trucks at TOPA, Dade County Auditorium and the James L. Knight Center? How about lecturing me when I tried to turn down a call? How about allowing me to basically live in their house part time as a kid, sleep on the couch, use their bathroom and eat their food? How about being chill when Mark and I partook in a little bit too much Jim Beam and stumbled in and crashed? Bottom line: my life would have been infinitely less interesting without Michael in it . He was liked, loved and respected. R.I.P. Michael and thanks for everything over the many years!

“ Mike was one of a kind. I believe he was business agent for local 545 at the time and I was president of local 623. We had finished a week of a district 7 meeting in Asheville NC and were on our way home. I was traveling with my wife and baby daughter. We had booked the two end seats on the plane figuring no one would be in the middle seat so our baby could sit there. Just as the doors were about to close...here comes Mike! He had the middle seat. He was such a good sport about it and played with baby Gwendloyn for most of the trip. Also worked with him on many other occasions but that always stayed with me a a true measure of the man. He, and his good humor, will be missed.
