Angie, our mothers have been best friends since we were little girls, so I have known you and Rachel most of my life. I have so many wonderful memories of your mom. May she rest in peace and rise in glory.

I don't care how old you are, losing your mom is difficult. May you know God's peace in the here and now and may His sweet blessings and covering be on you, your dad and your girls.

*Love to you,
Mauranda*

“ *Dear Angie, Fred and family, I'm sorry to hear of Rachel's passing. I DO believe she is amongst angels. I met Rachel about 35 years ago. She drove me to my first AA meeting, she gave me hope when my chips were down. She was a light in our family, she will always be Auntie Rachel to my kids. I never knew when she was going to come for a visit...she knew my door was always open. As I write this so many memories come to mind. One of my favorite memories is how she ended her prayers with~ "thank you for your ever increasing, unceasing flow of GOOD" AMEN* 🙏❤️

“ Dear Angie, Fred and family, Those we love can never be more than a thought away; for as long as there’s a memory, they live on in our hearts. I believe that tears can heal, memories can comfort, and love lives on forever. You now have the best guardian angel who will watch over you, listen to you and help or protect you through this journey of life.

Peace, love and comfort always

“ Rachel, you played a big part of my life, but now that you are gone – The love that I still have for you will just go on and on. You gave me a Sister and you taught me to dream outside of the St. Louis box. I know how much you care for me and how much I care for you. And each time that I think of you I know you'll miss me too. You went away so suddenly we did not say goodbye – But Sisters can't be parted precious memories never die.

“ My love and prayers are sent to Angie, Fred and the family. I met Rachel through work almost 40 years ago and she's been a wonderful friend ever since. She will be missed. But, remember how much Rachel has taught us. Hold on to those tenets and you will make it through. Peace & Blessings.
