

St. Luc Jean Noel

December 13, 1933 - December 19, 2021

St Luc Jean-Noel passed away on December 19, 2021 at the age of 88 years old in his hometown of Miami, FL. St Luc was born on December 13, 1933 to Etienne Jean-Noel and Camelia Tibet in Port de Paix, Haiti. As a child St Luc was very witty, goal oriented, and ambitious. Later, while traveling with his band, St. Luc met the love of his life; Melida Dozelma in Port de Paix. They then married on April 15, 1971 and went on to have 5 children: Widberg, Guerlin, Judith, Ruth, and Russell. St Luc better known as Gesper spent the better half of his life in construction and carpentry as he enjoyed working with his hands. Years later, his retired years were relished by do-it-yourself projects around the house, spending time with family, reading the gospel, and tending to his garden. Through growing various fruits and vegetables, his generous nature shined most, as he would give away those very crops to anyone who asked. He loved music which was displayed by his LP collection. He was also humorous and nostalgic as he told many stories of past times. Even though he encountered many adversities, he showed his courage by facing his challenges with faith and a smile. Most importantly, St Luc was very religious, a devoted member of the church and choir. His loving spirit and wisdom left a beacon of light for all he touched. St Luc was predeceased by his wife Melida, his sister Belony, and his brothers Antony and Antonio. He is survived by his children Marlene Dantes, Widberg, Guerlin, Judith, Ruth and Russell, his brothers Patrick, Clebert, Ilfaut and grandchildren.
