

Stanley Dagrín

January 6, 1981 - April 29, 2023

Our amazing, Stanley Dagrín, also known as “Ti Nazon”, was loved by so many.

Stanley passed away on April 29th, 2023, at the age of 42.

Stanley was born in Port-au-Prince, Haiti, on January 06, 1981, to his mother, the late, Marie-Mode Dagrín, also known as “Foufoun” to the Dagrín family. Stanley and his mother traveled into the United States, and settled in Homestead, FL. Unfortunately, a few years later, his mother passed away when Stanley was just a young child. His grandparents then continued to care for him. A few years later, his grandmother passed, and so did his grandfather. Shortly after that, one of his aunts, Marie Paula Dagrín, took guardianship of him in Miami, FL.

Although Stanley suffered a great amount of lost, he did not let that stop him. In High School, Stanley used his height to his advantage, and thrived on the boys’ basketball team. He loved playing basketball. Stanley attended and graduated from, South Dade High School in 1999. Prior to that, in 1997, Stanley met Nadege, and they were inseparable since. The couple later married on March 21st 2014. They went on to have three beautiful children. Stanley also continued his career as a cook. Stanley was currently employed at Twin Peaks, where he was an awesome co-worker to many who worked

with him.

Stanley had a smile that could light up a room. He loved his family very much. His favorite color was blue, although many would argue it was red. He loved his basketball hats. He had a hat for every outfit. When Stanley came around everyone just felt better.

The family wants all to know that Stanley was loved by all who knew him. His family only wanted the best for him. Losing Stanley has been very painful for many in his life including his friends and his co-workers.

Stanley is survived by his wife, Nadege Dagrín. His three children, Tatianna Precious Dagrín, Marvin Travaun Dagrín, Joshua Stephen Dagrín. His guardian and aunt, Marie P. Dagrín. “ One of my eldest male cousins that I could come close to in guidance and I remember how he would provision everything. Plan than execute! Very upbeat spirit no matter what the circumstances were he just was not going down without a fight. He had believed highly in himself, not an arrogant kind of belief but confident and assured. You'd believe because he believed it more. I am still in disbelief because when I think of you Stanley I don't see this arrangement ever happening, I just believe to me you will always be here with us in spirit. Love Mike 🤝
