

Stella Dumas

September 5, 1964 - June 6, 2023

Stella Dumas of Jacksonville, FL transitioned on Tuesday, June 6, 2023, at the age of 58. After several months of declining health, Stella passed peacefully with her beloved husband Jean and family by her side.

Stella was born in Nassau, Bahamas on September 5, 1964, to her father Neoclus Tanelus, and mother Yvonne Rivera.

She had a passion for traveling and entrepreneurship and was known for taking impromptu trips with her children and family.

Whenever Stella took a break from exploring the world she was in her books and businesses. Educating herself on the benefits of natural herbs, she strived to share her knowledge through her company Etoile's Herbs & More. After earning her diploma she continued her education to become certified as an esthetician to expand Etoile's Herbs and More to cater to healthy skincare. In interest, Stella also created additional businesses providing fingerprint and photo services and a small loan company. Her pride & joy was in Etoile's Transportation in which she gained ProCare as her primary client, being their #1 independent contractor. Stella made her mark ensuring the sick and shut-in got to their destinations.

She will forever be remembered for her genuine love for others, her

welcoming smile, her nurturing spirit, and her genuine compassion. Whatever the ailment was, she had a remedy for it.

Stella was preceded in death by her children Jeanique, Danielle, and Rodney Dumas. She is survived by her parents Neoclus Tanelus and Yvonne Rivera, and Her siblings Andrew, Anthony, Carmen, Chrisla, Monique, Nanie, Nicholas, Riol, and Rosena. “ *Dearest sister-in-law, since you have been gone, my now grown children have no one to connect with. You have left behind a world of fake people, cynical, hypocritical, and heartless. I am forever thankful to you and your husband, Jean, who is a honorable man to whom I have much respect and trust, due to his stable and incredible faith in God! I had a few tears of joy, knowing that your life was not in vain, for you have left behind an incredible daughter that still carries your smile and positive energy! May you continue to rest in peace and power!*

“ *An absolute joy to the world and a true blessing to those fortunate enough to know her. That said, I don't think she ever met a stranger in her entire life. She was the real deal - warm, sweet, hilarious, vivacious, and truly authentic. What you saw was what you got... a woman with a deep love for family/friends, new experiences, and the art of life in general. She was a beautiful soul and I am so honored to have had the privilege to know her.*

Stella, you are loved, missed, and the world is a dimmer place without you. Thank you for being you!
