“ *Wanda was my first best friend, my cousin by blood, but the sister I always claimed in my heart. A part of me went with her, but the rest of me will remain here missing her every single day. She will forever be remembered as the beautiful soul she was, inside and out. She was an angel to me even before she left this Earth.*

“ They say friends are the family we choose. Being chosen was the greatest moment of my life. •”A good heart has stopped beating, but a heart that has touched so many lives can't help but live on in those it loved". A truly beautiful soul, so friendly, and kind. You will live on forever in my heart and my mind. My life was blessed through your friendship. I wish I had more chance to see that tender smile , to laugh with you again my friend, for little bit longer . May you find blessings in the next life, rest softly now . Gone but never forgotten. Your memory lives on in my heart."

“ My dear friend, Wanda, you will truly be missed. A genuine person who always showed up in support of others. I will miss your smile, your little giggle when you laugh, your wisdom, the kind and gentle way you spoke with such care. Never wanting to hurt any one’s feelings but you were always honest. A gift & honor to all who knew you. I will forever, in my heart cherish the moments I have with you, since our days in middle school. Thank you for being my best friend and an even better Godmother to my son Liam.

My deepest condolences to Cedric, Avyan, Avaiya, the entire Kersaint and extended family. I am so sorry for your loss. May the Lord’s Spirit surround you with peace and comfort you during this difficult time. 🙏

You will never be forgotten, Wanda. This isn’t goodbye, it’s see you later. Rest well, beautiful.

- Love always, Samantha, Liam & family 🕊️

“ It is with heavy hearts that we say goodbye to our dear friend and colleague Wanda Samuels. To know Wanda was to be touched by her light. As a nurse, she brought a sense of grace and warmth to the halls of Vi at Aventura, making even the hardest days feel manageable. Wanda had a gift of connecting with people whether she was holding a patient’s hand during a difficult procedure or sharing a laugh with us at the nursing station. Wanda’s loving nature was always on display. She was truly beautiful inside and out, and she treated every person she met with the same level of dignity and care. Our work family feels a little smaller without her. We find comfort in knowing that her kindness lives on in the countless lives she touched. Rest in peace Wanda; your shift is over but your legacy of love remains.

Your loving friend, Pamela
