

## Wesner Joseph

May 2, 1983 - September 20, 2023

Wesner "Fatboy" Joseph was born on May 02, 1983, to Jean Baptiste Joseph and Marie J. Valmyr in Miami Florida. He grew up in little Haiti where he attend Toussaint Louverture Elementary School. He then attended Edison middle and graduated high school at William H. Turner Technical High School. He was very loving, easy going and a great father figure to his younger siblings. He met Cindy Zephyr and in 2006 they had a beautiful daughter Jazmine C. Joseph. He was the best father that any child could ask for, they were best friends. He had 2 jobs as a TSA agent and later became an elevator constructor. Not too long after, he realized how passionate he was about entrepreneurship and creating his own legacy to provide a better life for his daughter. Wesner then made his dreams a reality and partnered with his cousin John Dorvil to create their first business J & W Motors of Miami Inc. He loved cars, especially old school dunks which he owned a 1971 Chevy impala. His hobbies were watching car shows/races, rebuilding his own old school collectable, trying new foods, traveling, spending time bonding with his daughter, collecting sneakers and listening to Tupac. Until his untimely passing, Wesner unfortunately was diagnosed with a heart condition in 2010. God decided to call his angel home on September 20, 2023 at the young age of 40. He was a classy, ambitious, loving person and will forever be in our hearts
