“ *My condolences to the Laws family! i remember when me, you and Chevelle use to make up all kind games to play. One in particular, the starring game. We would stare at each other until one of us broke out laughing. So much fun when we were kids. Rest easy Cuz!!!!*

*Some things in life are just hard to understand... some things aren't meant to be understood while here on earth. I can't conceive this reality...*

*So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.*
