“ Today, our hearts feel a little heavier...
Grandpa has gone up above, but his love
stays close to us.
Through our daughter's eyes, he will keep on
shining,
and through our stories, she will learn to know him.
Watch over us from the stars. ✨

“ I'm just a little one,
I don't understand yet,
but in my heart,
Grandpa is a sparkling star,
and a cloud that wraps me in softness.

I send a tiny kiss,
full of gentle love,
Grandpa up above,
I keep you close to me. ☐

“ Dad, my heart is broken knowing you are gone. I will miss your wisdom, your kindness, your smile that could brighten the darkest days. Life will never be the same without you, but I promise to carry your love and your lessons in everything I do. You are at peace now, no longer suffering, but I will miss you for the rest of my life.”

“Dad taught me strength, not by never falling, but by showing me how to get back up. He taught me kindness, not through lectures, but through how he treated everyone around him. And he taught me love, not just in words, but in the way he lived his life.

These memories are my treasures. They are pieces of him that I get to carry for the rest of my life. Though I will miss him every day, I am grateful for the time we had and the love we shared. His voice, his wisdom, his smile—they will always be a part of me.

Rest peacefully, Dad. You may be gone from my sight, but you will never be gone from my heart.
